H.M. Jackson High seniors offer mini-sports camp for elementary students

On Sept. 25, H.M. Jackson High School (JHS) senior class will be sponsoring a mini-sports camp for elementary school students. Students in grades 1-5 will be able to choose three of five sports in which to participate (tennis, flag football, basketball, cheerleading and soccer).

Every year, JHS does a variety of fundraisers in order to support the senior class. This year, the senior class challenged themselves to do something more than a fundraiser. The mini-sports camp fundraiser will help create interschool relationships, build up the sports program and introduce students to a variety of sports as well as create school spirit, healthy lifestyles and incorporate leadership skills.

The camp will be held on Sept. 25 from 12:30 – 4 p.m. with an opening and closing session, and approximately 3.5 hours of instruction in three sports. All campers will receive a T-shirt and snacks. **Registration deadline is Sept. 17.** Cost is \$30 per child.

Mail, or drop off, the completed registration form and check to “Class of 2011,” H.M. Jackson High School, 1508 136th St. SE, Mill Creek, WA 98012.
