**Jackson High School Jazz Ensembles to perform at Seattle premiere jazz club**

On Monday, March 14, the H.M. Jackson High School (JHS) Jazz Ensembles will be performing at Seattle's premiere jazz club, [Dimitriou's Jazz Alley](#). For the fourth consecutive year, JHS students will play on the stage that hosts legendary jazz musicians from around the world.

The JHS jazz program has earned an outstanding reputation in the Pacific Northwest. The performance at Jazz Alley on March 14 is possible because of current and former students who have embraced jazz, using it as a way to understand and respect the cultures and artists who have come before them while adding their own contributions to this art form.

Doors open at 6 p.m. Jazz II will begin their performance at 6:30 p.m. with Jazz I immediately following. Proceeds from the event benefit JHS Band Boosters in their mission of "Supporting Kids in Music Education." [Reservations](#) may be made in advance.
