

ADMINISTRATION

Non Discrimination

The Trustees shall administer the benefits funded directly by the Trust in a nondiscriminatory manner, in accordance with the District's policy on non discrimination and affirmative action and the District's equity policy.

If the Trust self-insures any Trust benefits, contribution rate schedules shall be consistent and nondiscriminatory among beneficiaries. This provision is not intended to prohibit choice of coverage for beneficiaries, classes of beneficiaries, or bargaining groups from the options offered by the Trust, or to prohibit different contribution schedules between classes of beneficiaries or bargaining groups.
