BE IT RESOLVED BY THE BOARD OF DIRECTORS OF EVERETT SCHOOL DISTRICT NO. 2, SNOHOMISH COUNTY, WASHINGTON, as follows:

WHEREAS, Everett School District No. 2, Snohomish County, Washington (the "District"), is a duly incorporated first-class school district operating under and by virtue of the Constitution and the laws of the state of Washington (the "State");

WHEREAS, the Board of Directors of the District (the "Board") has determined that certain capital improvements to the education facilities of the District are required to better serve the needs of the students of the District in order to provide the students attending and using the same with adequate, proper and safe education facilities;

WHEREAS, in order to provide funds to acquire, construct, equip and install such capital improvements, the Board hereby deems it necessary and advisable that the District issue and sell its unlimited tax general obligation bonds in the principal amount of not to exceed \$74,000,000 (the "Bonds"), all pursuant to the provisions of chapters 28A.530 and 39.46 RCW;

WHEREAS, RCW 28A.530.020 requires that a special election be called for the submission of a proposition to the qualified electors within the District for their approval or rejection prior to incurring such bonded indebtedness; and

WHEREAS, the District will notify the Snohomish County Auditor, in compliance with chapter 29.13 RCW, of its intention to hold a special election on Tuesday, February 5, 2002, to submit the proposition of the issuance of the Bonds to the qualified electors of the District for their approval or rejection;

NOW, THEREFORE, IT IS HEREBY FOUND, DETERMINED AND ORDERED, as follows:

Section 1: The Board hereby determines that the best interest of the residents and students of the District requires the acquisition, construction and installation of certain capital improvements and betterments to its education facilities, together with all necessary appurtenances, fixtures, and furnishings therefor, including technology improvements.

Section 2: The proposed capital improvements to be paid for with Bond proceeds are as follows:

- (a) additional classrooms at Gateway Middle School, Penny Creek Elementary School and Jackson High School;
- (b) capital improvements and modernization of Eisenhower Middle School and Emerson Elementary School;
- (c) capital improvements to Woodside, Jefferson, Monroe, View Ridge, Silver Lake, Whittier and Garfield Elementary Schools and to North Middle School and to Everett High School commercial building;
- (d) expansion of the parking lot at Everett High School, including the possible acquisition of real property;
- (e) capital technology improvements;
- (f) capital safety improvements;
- (g) the acquisition and installation of all necessary appurtenances, equipment, fixtures and furnishings in the foregoing, including technology improvements, as deemed necessary by the Board;
- (h) the acquisition, construction and installation of all such other capital improvements deemed necessary by the Board; and
- (i) ancillary costs of engineering, architectural, construction management, attorneys fees, costs of bond issuance, permits, accounting costs, easements and any other expenses or consultant fees incidental thereto, together with all necessary appurtenances, fixtures and furnishings thereto.

Such capital improvements and betterments described in Section 2 above, which do not include the replacement of equipment, are to be more fully described in the plans and

specifications to be prepared by the District's architects and engineers and to be filed with the District.

The District anticipates the receipt of financing assistance from the state of Washington under chapter 28A.525 RCW. The proposed capital improvements to be paid for with the financing assistance are unrelated to the Project and may include, but are not limited to, modernizing the District's existing education facilities, technology improvements, additional classrooms, and other capital improvements deemed necessary and desirable by the Board, all in the order of priority and in the amount as determined necessary and desirable by the Board.

Section 3: If, in the opinion of the Board, the needs of the District change in a manner that results in a circumstance wherein any portion of the above-referenced capital improvements is not required or in the best interests of the District, the Board retains the right not to acquire, construct and install such capital improvements and to reallocate the money originally contemplated therefor to other capital improvements to the District's education facilities deemed more necessary by the Board, or to deposit such money into the Debt Service Fund to make debt service payments on the Bonds outstanding or to call and redeem a portion of the Bonds prior to maturity; provided, any change in use of Bond proceeds shall be in the form and manner required by law.

Section 4: The total estimated cost of the capital improvements specified in Section 2 above is hereby declared to be approximately \$74,000,000, all of which shall be paid from the proceeds of the sale, issuance and delivery of the Bonds if the proposition specified in Section 9 below is approved by the qualified electors of the District pursuant to RCW 28A.530.020 and as required by the Constitution and laws of the State.

Section 5: In the event the District has state of Washington financing assistance, other legally available money or there are Bond proceeds (or interest earnings thereon) remaining after the capital improvements set forth in Section 2 above have been completed or duly provided for, the Board retains the right to make additional capital improvements to the education facilities of the District as are deemed necessary and desirable by the Board, or to deposit such money into the Debt Service Fund to make debt service payments on the Bonds outstanding or to call and redeem a portion of the Bonds prior to maturity.

Section 6: In the event the Bond proceeds are insufficient to make all of the capital improvements set forth in Section 2 above, the District shall use the available money for paying the cost of those improvements set forth in Section 2 above deemed most necessary and to be in the best interest of the District by the Board.

Section 7: The Bonds, if approved and issued, shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Board all as permitted by law. The Bonds shall bear interest at such rate or rates not to exceed the maximum provided by law at the time they are sold. The Bonds shall mature serially in such amounts and at such time or times within a maximum term of 15 years from their date of issue but may mature at an earlier date or dates, as authorized by the Board and provided by law. The Bonds shall be unlimited tax general obligations of the District; and, unless paid from other sources, both principal thereof and interest thereon shall be payable out of annual property tax levies to be made upon all taxable property

within the District without limitation as to rate or amount. The designation of the Bonds may be changed to reflect the actual date of issuance. The exact date, form, terms and maturities of the Bonds shall be hereafter fixed by resolution of the Board.

Section 8: The Board hereby finds and declares that an emergency exists due to the District's need for capital improvements to the District's educational facilities as set forth in Section 2 above, which emergency requires the approval or rejection by the qualified electors of the District at a special election to be held on February 5, 2002, of the proposition of whether or not the District shall make the capital improvements set forth in Section 2 above; to incur indebtedness; to issue the Bonds to finance such capital improvements; and to levy taxes in excess of the regular property tax levies to pay the principal of and interest on the Bonds.

Section 9: The Snohomish County Auditor, as ex officio Supervisor of Elections for the District, is also hereby requested to find the existence of such emergency; to deem the same to exist; to call and conduct such special election to be held within the District on Tuesday, February 5, 2002; and to submit to the qualified electors of the District the proposition in substantially the following form:
