WHEREAS, the anticipated 2001-2002 State operating budget may have a negative impact on the District's ability to maintain its current educational service and support levels; and

NOW THEREFORE BE IT RESOLVED by the Board of Directors of the Everett School District that:

2. The Superintendent is directed to prepare a 2001-2002 operating budget which restricts expenditures to the level of reasonably anticipated revenues; and
3. The Superintendent is directed to take such action as may be required by law to notify administrative and classified employees who will be affected by reduction of positions; and
4. The Superintendent is authorized to make such other plans to implement this reduced educational program as are necessary to comply with the legal obligations of the District.
