## INTERSCHOLASTIC OFFICIALS L & I COVERAGE STATEWIDE

Beginning July 1, 1988, interscholastic sports officials were covered by Washington State Labor and Industries via a common rate and payment system that eliminated game-by-game calculations and record keeping by school and/or district business offices. WIAA will guarantee payment of L & I premiums for WOA registered officials for all interscholastic activities under WIAA's jurisdiction and will assess WIAA member schools via classification rates at the same time service fees are billed. Officials L&I coverage is only in effect for activities authorized and offered by School Board approval and listed on the school's WIAA membership form.

## REQUEST FOR CATASTROPHIC INSURANCE (LIFE CAT) DECLARATION FORMS FOR 1991-92 SCHOOL YEAR

WIAA has enrolled in the Liability Catastrophic Plan with lifetime options (Life CAT) for District, Regional, and State events. The coverage can be added by a member school to the school's regular season WIAA activities program.

Catastrophic Insurance sign-up will be by separate special mailing to be sent to the Superintendents office and your school.

The Catastrophic Insurance plan is made available through WIAA, covering those School Board authorized activities that are under WIAA jurisdiction. The school's enrollment in the plan must be by School Board and/or Superintendent declaration. Declaration of enrollment in the plan after August 26, 1991 will place coverage in effect on the date WIAA receives such written authorization.

## Accident/Medical Insurance

1990 Legislation has authorized, under RCW 28A.58.420, School Districts to require student athletes, as a condition of participation, to document or purchase accident/medical insurance as determined by the School District Board of Directors

WIAA endorses an all-activities secondary coverage plan to coincide with the Life CAT plan. This accident coverage plan will be mailed with the Life CAT plan during May or June.
