

RESOLUTION NO 288

WHEREAS, it is the intent of the ten local school districts currently operating Sno-Isle Vocational Skills Center to cooperatively provide their high school students with appropriate vocational training programs, and

WHEREAS, each of these districts has shared in the expense of building, equipping and operating Sno-Isle Vocational Skills Center since its inception in 1978, and

WHEREAS, Lakewood School District No. 306 has filed a formal request to become a part of this cooperative, and

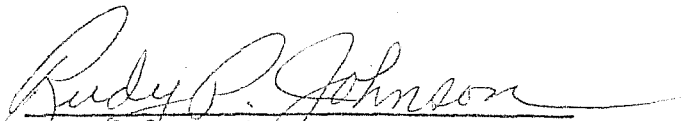

WHEREAS, high school students from the Lakewood area of Snohomish County are presently enrolled at the Skills Center through Arlington and Marysville School Districts and will be served by Lakewood School District beginning with sophomores in the fall of 1981,

NOW THEREFORE BE IT RESOLVED, that Everett School District approves the addition of Lakewood School District No. 306 to the Sno-Isle Vocational Skills Center Cooperative contingent upon Lakewood's payment of charges of \$29,544, plus interest from January, 1981 to date of payment.

Adopted by the Board of Directors of Everett School District No. ² , Snohomish County, Washington, at a regular meeting thereof held this 1st day of June, 1981.
