RESOLUTION NO. 316

A resolution of the Board of Directors of Everett School District No. 2, Snohomish County, Washington, providing for the submission to the qualified electors of the District at a special election to be held therein on February 7, 1984, of a proposition to authorize the District to issue its general obligation bonds in an aggregate principal amount not to exceed \$7,950,000 or so much thereof as may be issued under the laws governing the indebtedness of school districts for the purpose of providing funds to acquire, construct, equip and make certain capital improvements to the facilities of the District.

WHEREAS, in order to provide the students of Everett School District No. 2, Snohomish County, Washington (the "District"), with necessary and adequate educational facilities, it is deemed necessary that the District acquire, construct, equip and make certain capital improvements to its facilities;

WHEREAS, the District lacks sufficient funds with which to make such improvements;

WHEREAS, in order to provide funds to pay all or part of the cost of erecting new buildings and additions and making other capital improvements permitted by law to existing school buildings, and providing the necessary furniture, apparatus and equipment other than replacement equipment therefor, it is deemed necessary and advisable that the District issue and sell its general obligation bonds in an aggregate principal amount not to exceed \$7,950,000 or so much thereof as may be issued under the laws of the State of Washington governing the limitation of indebtedness of school districts;

WHEREAS, the question whether the District may issue and sell all of such bonds for such purposes must be submitted to the qualified electors of the District for their ratification or rejection;

WHEREAS, the conditions hereinbefore set forth create an emergency which requires the holding of a special election in the District;

NOW, THEREFORE BE IT RESOLVED by the Board of Directors of Everett School District No. 2, Snohomish County, Washington, as follows:

Section 1. It is hereby found and declared that the welfare of the students and other inhabitants of the District requires the District to carry out the plans hereinafter provided at the time or times and in the order deemed most necessary and advisable by the Board of Directors of the District.

Section 2. The District shall (1) construct an elementary school and (2) make additional capital improvements to other District facilities, and provide the necessary furniture, apparatus and equipment, other than replacement equipment, all as found necessary by the Board of Directors (collectively, the "Improvements").

Section 3. For the purpose of providing funds necessary to pay all or part of the cost of the Improvements, the District shall issue and sell its general obligation bonds in an aggregate principal amount not to exceed \$7,950,000 (the "Bonds"),

or so much thereof as from time to time may be issued and sold under the laws of the State of Washington governing the limitation of indebtedness of school districts. A portion of the cost of the Improvements may be paid from moneys now in or to be paid into the District's Building Fund, from moneys which the District may now or later have on hand and available for such purposes, and from possible State of Washington and United States grants of money.

The Bonds shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Board of Directors and as permitted by law, shall bear interest at a rate not to exceed the maximum rate permitted by law at the time the Bonds are sold, and shall mature in such amounts and at such time or times within twenty years from date of issue as authorized by the Board of Directors of the District and as provided by law. Both principal of and interest on the Bonds shall be payable out of annual tax levies to be made upon all taxable property within the District without limitation as to rate or amount, including levies in excess of the limitation provided in Section 2 of Article VII, as amended, of the Constitution of Washington State, the limitation applicable without the approval of District electors. The exact date, form, terms and maturities of the Bonds shall be hereafter fixed by resolution of the Board of Directors.

In the event the proceeds of the sale of the Bonds, plus any or all of the other moneys above described, are insufficient to make all the Improvements, the District shall use the available funds for paying the cost of those portions of the Improvements deemed most necessary and in the best interests of the District by the Board of Directors.

Section 4. It is hereby found and declared that an emergency exists requiring the submission of the proposition whether the District shall issue the Bonds to the qualified electors of the District for their ratification or rejection at a special election to be held therein on February 7, 1984. The Snohomish County Auditor as ex officio supervisor of elections is hereby requested also to find the existence of such emergency and to call and conduct such special election to be held within the District on such date and to submit to the qualified electors of the District the proposition hereinafter set forth.
