

RESOLUTION NO. 378

REQUEST TO TEACH OUT OF ENDORSED AREA

WHEREAS, the Board of Directors of the Everett School District No. 2 has a statutory obligation to make a good faith effort to comply with the provisions for the assignment of classroom teachers to endorsed subject areas, and

WHEREAS, Thomas Lindsay Mead is in his first year of teaching and is assigned a block class at Eisenhower Middle School consisting of Social Studies and Reading, and,

WHEREAS, Mr. Mead has an endorsement for 4-12 Social Studies, but does not have the required minimum of 9 quarter credits of Reading, and

WHEREAS, The District and the teacher have jointly developed a plan of assistance which provides for a reasonable amount of planning and study time for the Reading assignment;

NOW, THEREFORE, BE IT RESOLVED as follows:

1. The reassignment of another teacher within the District with the appropriate endorsement would be unreasonably disruptive to the current assignments of other classroom teachers and would have an adverse effect on the educational program provided in the middle school "block";

2. The Board of Directors requests a waiver of (a) requiring the teacher to have at least two full school years of classroom teaching experience and (b) requiring a minimum of nine quarter hours of coursework applicable to Reading [WAC 180-16-223(2) (a) and (b)] as provided for in WAC 180-16-223(5).

ADOPTED BY THE Board of Directors at a regular meeting thereof held March 21, 1988.
