

RESOLUTION NO. 182

Whereas, it appears that it is in the best interest of the school district that the assumed money formula be tested and whereas, the issue of the constitutionality of the assumed money formula is presently being litigated in the case of Island County Citizens et al. vs. the Superintendent of Public Instruction and Department of Revenue, et al.

Now therefore, be it resolved that the Snohomish County Prosecuting Attorney be directed to seek permission from the Washington State Supreme Court to file an amicus brief in this case on behalf of the school district, and if such permission is granted that we prepare and file such brief.

This is to certify that the above Resolution was passed by the Board of Directors of Everett School District No. 2 at a regular meeting held on October 18, 1971.
