

RESOLUTION NO. 109

WHEREAS, Everett School District No. 2, Snohomish County, having received "Approval of Final Plan and Specifications and Authorization to Advertise for Bids;" and

WHEREAS, the construction of Jefferson Elementary School (formerly named Eastmont) is being delayed because of the question concerning the legality of state matching funds for school building construction; and

WHEREAS, the undersigned school district understands that if and when state funds are available from the \$59,000,000.00 appropriation by the 1963 Legislature, the school district shall be entitled to reimbursement in accordance with the provisions set forth by the State Board of Education;

NOW, THEREFORE, BE IT RESOLVED that the Everett School District No. 2 assumes full financial responsibility for completion of the above named project, and that \$620,205.30 in the building fund of said school district is available for completion of the project.

ADOPTED this 4th day of November, 1963.

EVERETT SCHOOL DISTRICT NO. 2
