RESOLUTION NO. 125

WHEREAS, certain legislative enactments by the 1965 Washington State Legislature could or might result in a substantial loss of tax revenues to the Everett School District No. 2 for school district purposes; and

WHEREAS, to avoid such loss of tax revenues, it is necessary that the voters of the Everett School District No. 2 and the Directors of the Everett School District authorize the Snohomish County Assessor to maintain the annual tax levy for school district purposes at fourteen (14) mills as permissible by law;

NOW, THEREFORE, BE IT RESOLVED that the maximum amount permitted as the Everett School District No. 2's regular property tax revenue as provided in Chapter 174, Laws of 1965, Ex. Sess., be fixed at \$1,500,000.00, resulting in a millage rate of 14 mills and not to exceed the 14 mills permissible by law within the constitutional 40-mill tax limitation, notwithstanding the limitations contained in Sections 2, 3 and 4 of Chapter 174, Laws of 1965, Ex. Sess., the proceeds to be placed in the county treasury to be used for school district purposes as presently provided by law.

IT IS FURTHER RESOLVED that the foregoing proposition be submitted to the voters of the Snohomish County School District at the general election on November 2, 1965 and that there be included upon the ballot of said election a proposition as follows, to-wit:

"Shall the maximum amount permitted as the Everett School District No. 2's regular property tax revenue as provided in Chapter 174, Laws of 1965, Ex. Sess., be fixed at \$1,500,000.00, resulting in a millage rate of 14 mills and not to exceed the 14 mills permissible by law within the constitutional 40-mill tax limitation, notwithstanding the limitations contained in Sections 2, 3 and 4 of Chapter 174, Laws of 1965, Ex. This shall not be construed to be an excess levy.
