The screenshot shows the Scholastic Achievement Manager (SAM) web interface. At the top, the user is logged in as Carmen Boggs. The navigation bar includes links for Home, Roster, Reports, Resources, and Books. Below the navigation bar, there is a search section with a text input field for a keyword and a 'GO' button. A message prompts the user to choose a program for searching. The 'Program' dropdown menu is set to 'READ 180 Stage B'. Below this, there are four tabs: Advanced, Browse, Standards, and ITS. The ITS tab is circled in blue. The ITS page content describes the Interactive Teaching System, provides a URL to access it, and features a green button labeled 'Launch Interactive Teaching System' which is also circled in blue. A link to the ITS Quick reference guide is provided at the bottom.
