# Student Access
# to Scholastic Online

# Find Scholastic Online
# by clicking on Favorites

- Open up **Internet Explorer**
- Go to **Favorites**
- Click on **Scholastic - Student**

# Select a program

# READ 180

- After selecting READ 180 from the Scholastic Online window (previous slide), a new READ 180 window will appear.
- The new window will include all four READ 180 program components:  **READ 180**, **Scholastic Reading Inventory**, **Reading Counts!**, and **rSkills Tests**.

# READ 180 start up

- After selecting READ 180 from the previous window, **a microphone settings prompt may appear**.

- Select **Allow**.

# READ 180 headphone and microphone check

If the headphone and microphone are working properly, the login and password window will appear . . .

# Enter username and password
