Grade 6 Baseline Expository

Grade 6 Prompt:

Each of us has a favorite book, sport, item, or activity. Think about one of your favorites. Write a multiple-paragraph essay to a teacher explaining why the book, sport, item, or activity is your favorite.

1 Hi my name is L___, and my favorite book is Ella Enchanted. The reason why I
2 like the book Ella Enchanted, is because it's a very good book. There is so many details
3 and idea's in it. That you wouldn't want to miss a second of it! And now that you know
4 what my favorite book is, I will tell you a little more about it.

5
6 Ella Enchanted is a book that mostly everybody would love, because it has so
7 many subjects, like when Ella was born, and when she goes on a journey to find a witch.
8 If you like adventure's, this would be a great book for you. The book Ella Enchanted has
9 funny parts, sad parts, romantic parts, and happy parts. So this book would be extremely
10 awesome for everyone.

11
12 The one I love about this book is that it has magic in it. Magic makes the book
13 more funner to read. The book also teaches some lessons for people to learn. The book
14 is so good, and interesting, that it even won a newbery award. So that is why it is my
15 favorite book.

16
17 My favorite part of the book is when Ella runs in some ogors in the forest, and the
18 prince comes and rescues her, and then helps her on her long journey, to find the witch
19 who put a curse on her. Another good part is when she finds the witch, and the witch ties
20 Ella against the tree, and goes away. The end of the book churned out great because Ella
21 made the witch take away the curse, and Ella and the prince lived happily ever after.

22
23 So now you know what my favorite book is. I would suggest that you read the
24 book Ella Enchanted, because my opinion is that it is a very good book. So take my
25 advise. So that is what and why I love the book
