

Dear Everett Community:

I wanted to take a moment to share all the wonderful academic support options available at Everett High School. Over the past week, we had 60 ninth grade students participating in coordinated science labs after school to help support their learning of difficult scientific concepts. In January, we will be offering extensive training in math to help prepare students for the end of course assessment on January 18. Additionally, teachers and support staff in every content area have spent time after school teaching and supporting students to help them make strong academic progress. Our goal is to help each student be academically successful. If your child needs assistance, please call the classroom teacher, counselor or administrator. We are here to help you.

In This Issue:

- PSAT Score Reports
- Band/Choir Concert 12/14
- Spirit Week 12/12-12/16
- Yearbook Deadline 1/6
- Assembly Schedule 12/16

PSAT Score Reports

On Thursday December 15th, all juniors and sophomores that took the PSAT will be receiving their score reports. Counselors will do a presentation with the students that shows them how to read the report and how to access “My College Quick Start.”

Spirit Week

Next week is spirit week with a different theme each day. Please check the ASB calendar for specific information about each day.
