NAVY WILL BE PRACTICING from 8 a.m. to 2 p.m. on Friday, Sept. 21

On Friday you may see and hear Navy security drills in the harbor and around the base. The exercise will involve boat maneuvers and blank ammunition to increase the training realism. No live ammunition is involved.

Exercises such as these help maintain and improve the qualifications of those charged with the base, naval vessels, and maritime environment.

The Navy will institute a 300-yard safety zone and broadcast a notice to mariners in the area before and during the exercise.

For more information, contact the base Public Affairs Officer Kristin Ching at 425-304-3202.
