The Mill Creek Jazz Festival showcases the talents of middle school, junior high, and high school instrumental jazz ensembles and combos, from throughout the Pacific Northwest region.

The Mill Creek Jazz Festival

has become known as one of the highest quality jazz education events in the Pacific Northwest. Performances are free and open to the public.

The festival has a strong affiliation with the area's top jazz clinicians who provide performance feedback and extended clinics to participating ensembles. The special guest artist performance will be the outstanding Western Washington University jazz ensemble under the direction of Mike Allen. They will be performing at noon.

The Jackson High School jazz program is proud to have three instrumental jazz ensembles that are active in the community as well as being part of the KPLU School of Jazz CD and performing annually at Dimitrous' Jazz Alley.
