Heatherwood Middle School band to perform at Northwest Conference

Heatherwood Middle School Advanced Band will perform at the National Association for Music Education (NAfME) Northwest Conference on Feb. 16 at the Oregon Convention Center in Portland, Oregon.

The band will be featured in a “concert hour” performance with a large audience of music educators and school administrators from throughout the region. The NW Conference happens every other year and draws music teachers and college students from Montana, Idaho, Washington, Oregon and Alaska.

Being invited to perform for this conference is quite an honor as groups are chosen by audition. The Heatherwood band is the first ensemble from Everett to be invited to perform at a NW Conference in over 20 years.

The band will also perform a special concert for the community on Feb. 11 at 7 p.m. at [Jackson High School](#).
