Sponsored by City of Everett and Everett Public Schools; students to play with band

All are invited to enjoy a free concert by the Navy's most popular and most in-demand Concert Band. Doors open at 7 p.m. on Wednesday, Feb. 13 at the Everett Civic Center Auditorium, 2415 Colby Ave. in Everett.

The U.S. Navy Concert Band is based in Washington D.C. Its members include Broadway-trained musicians and singers who perform on television and for the President at major national and international events.

Over the years, Everett has enjoyed performances by other Navy bands including the 18-person Jazz Band in 2012. The Feb. 13 visit by the Concert Band is a special treat made possible by the City of Everett and Everett Public Schools.

"This performance will be especially exciting for students from our high schools who will be joining the Navy musicians to play John Philip Sousa's *Washington Post*," said Superintendent Gary Cohn. "It is an honor to partner with the city to bring this group to the community and to give our students this experience to play with professionals."
