### **H.M. Jackson High School students are serious about technology**

***Students place well in regional competitions and served as host for other teams***

On Feb. 2, 2013, 30 Jackson High School technology students and their TSA advisor hosted the Regional Technology Student Association (TSA). Local districts from around the region competed in seven different events, including Career Preparation, Essays on Technology, Extemporaneous Speech, Photographic Technology, Promotional Graphics, Structural Engineering, and Technology Problem Solving.

#### Career Preparations

First Place – Sridutt Nimmagadda

Third Place – Chester Pham

#### Extemporaneous Speech

First Place – Sridutt Nimmagadda

Second Place – Sai Nimmagadda

Third Place – Sabrina Smith

#### Photographic Technology

First Place – Emily O'Hare

#### Promotional Graphics

First Place – Alexa Dimaano

Second Place – Daisy Lee

#### Essays on Technology

Second Place – Blake Podnar

Third Place – Everett Wang

#### Structural Engineering

Second Place – Jameson Olsen and Paul Kim

#### Problem Solving

First Place – Aaron Oh and Robert Kim

Third Place – Brandon Mar and Ronald Chu

Jackson High School also hosted FIRST Lego League Robotics State Championship on Feb. 10 with 55 of the best teams in the state.

On March 29 and 30, two district FIRST Robotics teams – one from Jackson High, and the other from Cascade – will travel to Century Link Event Center to compete again. At this event, attendees will see robots capable of shooting frisbees into nine-foot goals and climb steel pyramids that are also nine feet tall!
