Adding Content:

1. Go to the **_Scoop.it_** website at: http://www.scoop.it/

2. In the upper right-hand corner, click the button to **Log In.**

3. This will bring up a pop-up window for you to enter the log in information.

4. Click the **Log in** button.

5. To add content to your **_Scoop.it_** site click on one of the following links.

6. If you find "scoop" on another **_Scoop.it_** page you will see a green button in the corner that will let you add it to your page.

7. When it opens, you will then scroll down to the bottom and click **Publish.**

8. Finally, it will give you a message that the content/ "scoop" will be added to your page.
