On Oct. 24 Jack LaPoint, from the [Kiwanis of Silver Lake](#), received lots of smiles and thank you cheers from third graders at Penny Creek Elementary School.

Over 150 dictionaries were given to third-grade classes as part of the Kiwanis involvement in the national program [The Dictionary Project](#). They have been involved with this program for about eight years.

In November the Kiwanis will be visiting Woodside Elementary School third-grade classes with armloads of dictionaries!
