

EVERETT SCHOOL DISTRICT NO. 2

RESOLUTION NO. 1071

**Authorization to Execute A Limited Use Permit and an Agreement
Between the District and the Opportunity Council**

A Resolution of the Board of Directors (the "Board") of Everett School District No. 2 (the "District") authorizing the Superintendent or his designee to execute a limited use permit ("Permit") permitting use of a portion of certain real property commonly known as the Community Resource Center (the "CRC") by the Opportunity Council (the "Council" and "Permittee"), a Washington nonprofit corporation, and to execute an agreement ("Agreement") describing the services provided to the District by the Council.

WHEREAS, the Board is authorized by RCW 28A.335.040 to permit the rental, lease, or occasional use of all or any portion of surplus District real property to any person, corporation, or governmental entity for profit or nonprofit, commercial or noncommercial purposes, subject to certain limitations and requirements;

WHEREAS, the Board is authorized by RCW 28A.335.050 to permit school district property to be jointly used by a school district for school purposes and by any combination of persons, corporations or government entities for purposes other than common school purposes, subject to certain limitations and requirements;

WHEREAS, the District has previously adopted Policy No. 6112 regarding the rental, lease, or occasional use of surplus real property and Policy Nos. 4333 and 4333P regarding the use of school buildings, grounds, and equipment for non-school purposes;

WHEREAS, the Board determined by its Resolution No. 1066 on August 27, 2013, that portions of the real property commonly known as the CRC, which property is generally described on Exhibit A and depicted on Exhibit B (the "Property"), which exhibits are attached hereto and incorporated herein by this reference, are temporarily surplus and are not currently needed for school purposes;

WHEREAS, the District desires to encourage life-long learning for all citizens, including its students, and to extend opportunities to the community to use district facilities through a variety of programs that contribute to the achievement of the district's goals and objectives;

WHEREAS, the Board has determined that use by the Council of portions of the CRC will be for a lawful purpose, in compliance with existing local zoning ordinances applicable to the Property, and undertaken so as not to interfere with the conduct of the District's educational program and related activities; and has further determined that use by the Council of portions of the CRC will not reflect negatively on the district, interfere with maintenance activities, or pose a high risk of damage to facilities;

WHEREAS, representatives of the District and representatives of the Council have negotiated the Permit, which is attached hereto as Exhibit C-1 and incorporated herein by this reference, setting forth proposed terms and conditions under which the District would allow the Council to use portions of the CRC;

WHEREAS, representatives of the District and representatives of the Council have negotiated the Agreement, which is attached hereto as Exhibit D and incorporated herein by this reference, setting forth the services to be provided to the District by the Council;

WHEREAS, the Board has concluded that it is in the District's best interest to permit the Council to use portions of the CRC for non-school use, pursuant to the terms and conditions set forth in the Permit, and to execute the Agreement; and

WHEREAS, the Board has determined that Permittee provides valuable services to the District's students through its programs, which are set forth in the Permit and the Agreement. The District has determined that Permittee's provision of these programs and other services constitutes partial payment in-kind, which, together with the Use Fee (as defined in the Permit), constitutes "a rental amount which represents a fair return, under all the surrounding factual circumstances, for the use and occupancy, by the private person or organization involved, of the particular property." Wash. AGO No. 10, at 8 (1978).

NOW, THEREFORE, be it resolved that:

(a) the Board declare, and hereby declares, that the use of portions of the CRC by the Council will be for a lawful purpose, in compliance with existing local zoning ordinances applicable to the Property, and undertaken so as not to interfere with the conduct of the District's educational program and related activities; and has further determined that the use of portions of the CRC by the Council will not reflect negatively on the district, interfere with maintenance activities, or pose a high risk of damage to facilities;

(b) the Board declare, and hereby declares, that it is in the District's best interest to permit the Council to so use portions of the CRC for non-school use, pursuant to the terms and conditions set forth in the Permit, and to execute the Agreement;

(c) the Board declare, and hereby declares, that the Council provides valuable services to the District's students through its programs, which are set forth in the Permit and Agreement, and that the provision of such programs by the Council constitutes partial payment in-kind, which, together with the Use Fee (as defined in the Permit), constitutes "a rental amount which represents a fair return, under all the surrounding factual circumstances, for the use and occupancy, by the private person or organization involved, of the particular property." Wash. AGO No. 10, at 8 (1978); and

(d) the Board authorize and direct, and hereby authorizes and directs, the Superintendent of the District (or his designee) to:

(i) execute the Agreement and Permit on behalf of the District so as to permit use of portions of the CRC and the Property by the Council in accordance with Chapter 28A.335 RCW and Policy No. 6112, and other applicable laws and District policies;

(ii) deposit compensation collected from the Council for the use of the Property by such organizations into the appropriate District account(s);

(iii) collect any appropriate taxes and remit them to the Department of Revenue; and

(iv) execute, acknowledge and deliver all necessary documents, and do any and all other things necessary and advisable to be done to accomplish the foregoing

Permit and Agreement, all in accordance with Chapter 28A.335 RCW, Policy Nos. 4333 and 4333P, and other applicable laws or District policies.

Limited Use Permit between the District and the Opportunity Council **LIMITED USE PERMIT**

This LIMITED USE PERMIT ("Permit") is dated as of this ____ day of _____, _____ ("Effective Date") and is made by and between the EVERETT SCHOOL DISTRICT NO. 2, a Washington municipal corporation ("District"), and the OPPORTUNITY COUNCIL, a Washington non-profit corporation ("Permittee").

RECITALS

A. The District owns certain real property commonly known as the Memorial Stadium (the "Property"), which is legally described on Exhibit A hereto.

B. The Community Resource Center ("CRC") is located in the southeast corner of the Property.

C. Permittee desires to use as office space that portion of the CRC labeled "Permit Area" on the floor plan attached hereto as Exhibit B, measuring approximately 496 square feet (the "Permit Area").

D. The District has determined that the Permit Area is temporarily surplus to its current needs and that the Permittee's use is for a lawful purpose and will not interfere with the conduct of the District's educational program and related activities.

E. The District desires to encourage life-long learning for all citizens, including its students, and to extend opportunities to the community to use district facilities, including the CRC, through a variety of programs that contribute to the achievement of the district's goals and objectives. The public investment in school facilities and the general welfare of the community provide strong justification for the use of school buildings and grounds by community groups for cultural, civic, and recreational purposes, when surplus to the needs of the District.

F. The District has determined that Permittee provides and will continue to provide valuable services to the District's students through its programs, including:

a. Opportunity Council, a non-profit human service organization, acts as a catalyst for positive change with services that include:

i. Addressing immediate and crisis-oriented needs (food, emergency shelter, eviction-prevention) – currently only in Whatcom, Island and San Juan Counties

ii. Longer-term Programs that promote self-sufficiency (job skill, money management, housing, energy conservation and home weatherization) – currently only in Whatcom, Island and San Juan Counties

b. Early Learning and Family Services Department:

i. Mission: To ensure all children and families have the knowledge, skills, and support for success in school and future opportunities.

- ii. Current programs: Head Start, Early Head Start, ECEAP, Early Support for Infants and Toddlers, Child and Adult Care Food Program, Child Care Aware, Homeless and Emergency Child Care Subsidy.
- c. Quality Child Care and Support Services Division:

 - ii. Programs include: Child Care Aware of Northwest Washington: Early Achievers, P-3 literacy alignment/school readiness, family support, consultation and resources, professional development, family/caregiver play and learn groups, child development multi-disciplinary coaching/consultation; Family Child Care Nutrition Reimbursement - CACFP USDA; Emergency and Homeless Child Care Subsidy support; County Specific Early Learning Coalition building and Regional Representation to NW Early Learning.
- d. Child Care Aware of Northwest Washington: Early Achievers Program
 - i. Provide professional development, coaching and technical assistance to early learning professionals/child care providers within a five county region that includes Snohomish, Skagit, Whatcom, Island, San Juan Island counties:
 - 1. Provide high quality care that supports each child's learning and development.
 - 2. Prepare each child to be successful in school and life.
 - ii. Provides referrals to parents and families who are looking for high-quality child care and early learning programs that fit their children's needs.
 - iii. Early Learning Activities
 - 1. P-3 Literacy Alignment using David Matteson model
 - 2. Early childcare professional development
 - 3. Infant and Toddler multi-development consultation
 - 4. Washington State Quality Rating and Improvement System/Washington Early Achievers
 - 5. USDA/Child Care Nutrition Education and Reimbursement program

The District has determined that Permittee's provision of these programs and other services (collectively, the "Services") constitutes partial payment in-kind, which, together with the Use Fee (as defined in this Agreement), constitutes "a rental amount which represents a fair return, under all the surrounding factual circumstances, for the use and occupancy, by the private person or organization involved, of the particular property." Wash. AGO No. 10, at 8 (1978).

G. The District has further determined that the Permittee's use will not reflect negatively on the district, interfere with maintenance activities, or pose a high risk of damage to facilities.

AGREEMENT

The parties agree as follows:

1. The District hereby grants a license to Permittee to use the Permit Area for general office purposes and no other use and to use the CRC as necessary to access the Permit Area. Permittee may use other space in the CRC for occasional meetings and events provided that Permittee reserves such space in advance in accordance with District policies regarding rental of CRC space and subject to any fees or charges that may apply to such use. Permittee's use is subject to the following conditions:

a. such use is for a lawful purpose and shall, at all times, be undertaken by Permittee in a manner that is in compliance with any and all applicable federal, state, and local laws, including local zoning ordinances;

b. such use shall, at all times, be undertaken in a manner which does not unreasonably interfere with the District's educational programs or related activities; and

c. Permittee shall provide the Services, or, with the District's prior written consent, which may be withheld in the District's sole discretion, other services or programs of equivalent or greater value to the District, for the benefit of the District and its students.

Nothing in this Agreement shall prevent the Permittee from using the Permit Area to perform or provide services or programs to other school districts or local agencies; provided, however, that Permittee's use must comply with this Section.

2. The term of the Permit ("Term") for the use of the Permit Area shall commence as of _____, _____ and shall expire on August 31, 2015 unless earlier terminated pursuant to the terms of this Agreement.

3. In recognition of the Permittee's long history of providing valuable services to the District and its students and the Permittee's commitment to continue providing such services, any rental charge or use fee applicable to Permittee's use of the Permit Area, including but not limited to fees or charges due under District Policy Nos. 4333, 4333P and Schedule 7220S, may be partially paid in-kind through the Permittee's provision of the Services to the District (the "Use Fee"). See Wash. AGO No. 10, at 8 (1978). Permittee shall pay to the District, without notice or demand, and without deduction or offset, in lawful money of the United States of America, that portion of the Use Fee that is not paid in-kind ("Remainder") in advance, on or before the first day of each month during the Term. The amount of the Remainder shall be Five Hundred Thirty Seven Dollars and 33/100 (\$537.33) per month, provided that Permittee provides the Services. Such amount shall be prorated based on the number of days of Permittee's use during any partial months during the Term. Permittee shall deliver the Remainder to the District at the following address: Everett Public Schools, Facilities & Planning, Attn: Jill Stoffel, 3715 Oakes Avenue, Everett, Washington 98201.

4. The District shall provide the following to Permittee as part of the Use Fee: furniture and equipment for Permittee's use in the Permit Area during the Term, as more specifically described on Exhibit C hereto; telephone service; internet access; utilities; maintenance services; and custodial services. Furniture and equipment must be returned to the District at the end of the Term in the condition received.

5. The District is not responsible for damages or inconvenience caused by interruptions in or failure of telephone service; internet access; utilities; maintenance services; or custodial services.

6. This Agreement does not authorize or permit the use of any school facilities for Permittee's programs, other than as described in Section 1 above.

7. The Permittee shall keep and maintain detailed records of the Services provided to the District and shall make such records available to the District upon request. Once per quarter, the Permittee shall prepare and provide to the District an itemized summary of such Services. The Permittee shall also provide the District with an annual report of the Services provided during the previous year (a year being calculated from July 1 to June 30) on or before July 31 of each year of the Term.

8. This Agreement shall be reviewed annually to ensure that the value of the Services provided to the District meets or exceeds the amount of that portion of the Use Fee and any other rental charge or use fee applicable to Permittee's use of the Permit Area that are paid in-kind.

9. Permittee shall pay any all real estate taxes or leasehold excise taxes (including without limitation real property tax, personal property tax, governmental assessments such as Local Improvement District assessments and Business Improvement Area assessments), if any, that are levied upon and/or assessed against the Permit Area or as a result of the permitted use. Permittee shall be solely responsible for establishing its qualification for tax exemptions, if any are or may be applicable.

10. Permittee's employees and frequent volunteers are required to attend an orientation to the CRC organized by the District.

11. Permittee shall be subject to, and shall cause its employees and volunteers to comply with, such reasonable rules, regulations, and policies (including, but not limited to, dress code and requirements for workspace tidiness, professional behavior, and use of technology) as may be imposed by the District to ensure that Permittee's use is compatible with and does not interfere with any joint use of the CRC by the District or other users. To the extent practicable, as determined by the District in its sole discretion, such rules, regulations, and policies shall be developed in collaboration with the Permittee and other users of the CRC. The Permittee shall promote, and shall cause its employees, volunteers, and other guests and invitees to promote, a welcoming and collaborative office environment in the CRC.

12. Permittee assumes the risk of any loss or damage to equipment and other personal property brought into the Permit Area by Permittee, its employees, volunteers, visitors, and participants.

13. Permittee will pay the costs of all repairs for damage to facilities, except for normal wear and tear. The District may, at its sole option and in its sole discretion, terminate this Permit at any time in the event that Permittee abuses or misuses facilities or fails to pay for required repairs.

14. Permittee shall indemnify and hold harmless the District (and the District's directors, officers, employees, agents, servants and representatives) from and against any and all claims, liens, demands, actions, harm, costs, losses, expenses, damages and liability (including, but not limited to, attorneys' fees) of any kind or character asserted or arising directly or indirectly from, on account of, or in connection with Permittee's use of the Permit Area and/or the use of the Permit Area by Permittee's agents, servants, employees, contractors, representatives, licensees, invitees, or visitors. The foregoing indemnity, however, shall not apply to the extent of damages arising out of bodily injury to persons, or damage to property, caused by or resulting from the District's (or the District's directors, officers, employees, agents, servants and representatives) sole, or gross, negligence or willful misconduct.

15. Permittee shall maintain insurance in the amount of \$1 million combined single limits naming the District as an additional insured. Permittee shall direct its insurance company to mail a certificate of insurance to the District.

16. As required by RCW 28A.335.040(1), the District shall have the right, at any time during the Term, to terminate this Permit and recapture the Permit Property if the District's Board of Directors determines that the Permit Property is then required for school purposes ("Recapture"). In such event, the District shall give Permittee not less than sixty (60) days advance written notice of the date on which the District shall Recapture the Permit Area.

17. Either the District or Permittee may terminate this Agreement for any reason by providing not less than sixty (60) days advance written notice of the date on which the terminating party will terminate this Agreement.

18. In the event of default hereunder, the non-defaulting party shall have the right to (i) terminate this Permit upon five (5) days advance written notice to the defaulting party and (ii) seek any other remedy available at law or in equity, unless such default is current within such five (5) day period. In the event that the value of the Services does not meet or exceed the amount of that portion of the Use Fee and any other rental charge or use fee applicable to the Permittee's use of the Permit Area that are paid in-kind during any part of the Term, Permittee shall not be in default; provided, however, that the District may invoice Permittee for the portion of the Use Fee and any other rental charge or use fee applicable to the Permittee's use of the Permit Area that are not paid in-kind. Permittee shall pay such amounts promptly upon receipt of such invoice.

19. This Agreement is personal to Permittee and may not be assigned by Permittee under any circumstances.

20. Permittee accepts the Permit Area in its "AS-IS" condition and acknowledges that the District makes or gives no warranties or representations with respect to the Permit Property (including, but not limited to, the condition of the Permit Area or existence or absence of conditions upon the Permit Area). Permittee further acknowledges that, in all respects, any and all actions it takes in furtherance of the rights, benefits, and privileges granted to Permittee under this Permit are taken at Permittee's sole risk and expense.

Executed as of the date first written above.
