F.A.C.E.S. of Outreach – Families And Community Engagement Summit

PTAs and school representatives are gathering to learn skills to help involve more families

On Saturday, March 22, PTA leaders, principals and school administrators from [WSPTA Region 7](#) (Washington State Parent Teacher Association) will gather in the Community Resource Center for a ***Families And Community Engagement Summit (F.A.C.E.S.)***. Region 7 covers Snohomish County and Island County (except Oak Harbor) and includes 113 PTAs and 13 school districts.

This all-day, action-packed event will help PTAs and schools gain knowledge and training on how to recognize when families are not engaging and what to do about it. They'll learn how to get more families involved in the PTA and school and to create meaningful connections.
