Dear Colleague,

Welcome back from your spring break! I hope you've had a great time, and I'm really glad you're back.

Just a quick reminder that **early on Wednesday, April 9**, district teachers and paraeducators will receive an online survey invitation from the [Center for Educational Effectiveness](#) (CEE). The survey will come from **Effectiveness.org via research.net** with a subject line "**Collaboration Time Survey-Your School Name**". A link to the survey will be included in the body of the email. *The survey will be open for teachers' and paraeducators' responses through the end of the day on **Friday, April 18**.*

Everyone's responses will be confidential and anonymous, and no individual responses will be seen by district staff. CEE will provide district-summary and building summary reports of the compiled responses. Please see my March 27 email on this topic for more details if you need them.

Many thanks,

Gary
