ERO – Electronic Registrar Online

Introducing new *Professional Development* software, ERO – Electronic Registrar Online

Mark pd.everettsd.org as a favorite link on your desktop for future access. You will be directed to access ERO to register for all in-district classes, workshops, and other professional opportunities.

ERO uses the *same ID and numeric password as the SmartFindExpress* absence-reporting system.

Enter your **SmartFindExpress ID and PIN** and click *Login*.
   If you do not have a PIN you must register your employee ID to create a password prior to entering an absence.
   Call 425-320-1337, enter your employee ID and ID again as your password, you will then be prompted to create a 6 digit numeric password.
