Record number attendance at High School and Beyond family night

Over 1,400 attended the first of three events – another chance to attend tonight at Cascade High and tomorrow night at Everett High school

A record high attendance at Henry M. Jackson High School as students and their families explored post-high school options

“The feedback I consistently received from parents and students indicated the opportunity to attend a significant event like this was greatly appreciated,” said Principal Dave Peters.

If you missed last night, there are two more opportunities!
