

**EVERETT PUBLIC SCHOOLS
SECOND ANNUAL**

EARLY LEARNING CONNECTIONS EVENTS

YOU ARE INVITED TO A 3-PART SERIES

The early years of a child's life are amazing! Did you know there are less than 2,000 days from the time a child is born until he/she enters kindergarten? There is so much learning that happens within our community prior to kindergarten. Everett Public Schools' vision is to build strong sustainable partnerships with our community's preschool providers: YOU! Come learn about recent research which underscores the importance of Early Learning for long-term school success. Meet other providers engaged in this work, and discuss how we can partner together to align instruction and enhance student achievement. Learn about the Washington State Early Learning and Development Guidelines, Special Education services available through the school district and how you can get involved in our professional development opportunities!
