- ☐ Yes ☐ No (you must do so before you take Baby home)

RealCare® Parenting Project Directions:
PART ONE

Name: _____

Class period: _____

Care for Baby for the specified period of time set by your instructor. Use the Student Care Card as a helpful resource. Don't forget the basics:

When Baby cries:

The first step is to pick Baby up, carefully supporting the head. Make sure your ID is close to Baby.

**If you
hear the
chime,
try these:**

- Feed
- Burp
- Rock
- Change diaper
- Rough handling (rock Baby)
- Head support failure (rock Baby)
- Shaken Baby (rock Baby)

**If there is
no chime,
try these:**

- Wrong position (place Baby on its back)
- Try the ID again

Some infants are more challenging than others. Your goal is to satisfy Baby's needs as best you can.

The ID and wristband should be on your wrist, in good condition, on Monday morning. Your instructor will remove it.

You will receive instructions for Part II of the project when you return Baby.

1. In what ways was caring for Baby like caring for a real infant?

2. In what ways was caring for Baby not like caring for a real infant?

3. In what ways was caring for Baby easier than you expected?

4. In what ways was caring for Baby harder than you expected?

5. How has the experience with Baby affected your plans for your life?

6. How did having Baby help you discuss parenting with your parents/family?

7. What did you learn from this experience?

8. Do you have any suggestions for improving the the experience with Baby?
