Parent Tech Talk: Learning Alongside Your Kids

Posted by Jo Anne Buiteweg at 8/10/2015 12:00:00 PM

Parents, students and staff have access to several tools that help in communication and collaboration. During our first Parent Tech Talk we will explore three of these tools: Schoolwires, Atomic Learning and Google Drive.

Tech Talk Tool Review:

1. Schoolwires - district website
directions: <http://www.everettsd.org/Page/4806>
2. [Atomic Learning](#) - self-paced learning resource
3. Google Docs- [create free account](#) - students can use their EPS Google Docs account to share with their parents home Google Accounts

You will need to be logged in to [Atomic Learning](#) to search:

- Atomic Learning - How to use
 - My Training
- Google Drive - An Introduction Training

SAFETY AT SCHOOL

Internet Safety Laws

- Children's Online Privacy Protection Act (COPPA), was created to help protect kids younger than 13 when engaged in online activities.
- The Children's Internet Protection Act (also known as CIPA or the CHIP Act), Basic Requirement:
 - requires the implementation of a “technology protection measure” – generally referred to as an Internet filter – to block access to visual depictions deemed “obscene,” “child pornography,” or “harmful to minors.”
