Affirmative Action and Nondiscrimination

Affirmative Action

The board of directors of the Everett School District recognizes that an Affirmative Action Employment Plan is a sound employment practice, as well as a positive approach toward achieving lasting and equitable human resources policies and procedures.

In accordance with state and federal requirements, the district shall develop an Affirmative Action Plan. Such a plan shall include a work force analysis, a projection of possible work force vacancies, an analysis of activities designed to take appropriate affirmative action and a grievance procedure.

The superintendent or designee shall be responsible for the development, implementation and annual reporting of the Affirmative Action Plan. The overall responsibility for monitoring and auditing this plan shall be assigned to the human resources department.

Nondiscrimination

The district shall provide equal employment opportunity for all applicants and employees in recruitment, hiring, retention, assignment, transfer, promotion and training. The district shall also make reasonable accommodation to the known sensory, mental or physical limitations of an otherwise qualified disabled applicant or employee unless an accommodation would impose an undue hardship on the operation of the district program. District employees shall be free from harassment based on legally protected attributes or characteristics.

In cases where employees or applicants believe that they have been discriminated against on the basis of their legally protected status, that their disabilities have not been reasonably accommodated, or that they have been harassed on the basis of their legally protected status, the employee or applicant may file a complaint using the complaint process set forth in this procedure. To ensure fairness and consistency, these procedures are to be used to address complaints covered by state and federal equal employment laws, including the Americans with Disabilities Act (ADA), the Age Discrimination in Employment Act (ADEA), Titles VII and IX of the Civil Rights Act, the Washington Law Against Discrimination, and/or the district's Affirmative Action Plan. No person shall be retaliated against because of the utilization of these procedures. The assistant superintendent of human resources or designee shall investigate all allegations of noncompliance or discrimination.

Informal Complaints

With regard to ADA matters, a distinction is to be made between a request for accommodation and a complaint. A request for accommodation should be submitted to the assistant superintendent of human resources. The parties should cooperate to resolve any issues of accommodation through an interactive process prior to the filing of a formal complaint. A complaint is to be filed only in the event there is a complaint of noncompliance after a request for accommodation has been made.

At the employee's option, attempts will be made to resolve complaints of discrimination informally, expeditiously and at the closest point of administrative responsibility to the alleged offense. Informal complaints of discrimination of an employee may be reported to his/her supervisor, the affirmative action officer, or the assistant superintendent of human resources. The supervisor will be responsible for investigation and resolution of informal complaints. The supervisor may seek assistance or guidance from the district's affirmative action officer or assistant superintendent of human resources. The supervisor must notify the complainant of his/her right to file a formal complaint under this policy and procedure. The notice shall be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency, in accordance with Title VI of the Civil Rights Act of 1964.

Formal Complaints

- A. The district's assistant superintendent of human resources or designee shall be responsible for monitoring and coordinating the district's compliance with [WAC 392-190](#) and related procedures and ensuring that all complaints communicated to the district are promptly investigated and resolved.

The district's response to the complaint will be provided in a language the complainant can understand, which may require language assistance for complainants with limited-English proficiency in accordance with Title VI.

- F. Corrective measures necessary to correct any noncompliance shall be instituted as expeditiously as possible, but no later than thirty (30) calendar days after the district's written response to the complainant, unless otherwise agreed to by the complainant.
- G. A complainant may appeal the superintendent or designee's decision to a hearing officer designated by the district to hear the appeal by filing a written notice of appeal with the superintendent on or before the tenth (10th) calendar day from the date the complainant received the superintendent or designee's response. The hearing officer shall not have been involved in the initial complaint or investigation.

- H. Upon receipt of an appeal, the hearing officer shall provide a written appeal decision to the complainant in a timely manner, not to exceed thirty (30) calendar days from the date the district received the appeal, unless otherwise agreed to by the complainant. The district will send a copy of the appeal decision to the Office of the Superintendent of Public Instruction.

In the event a complainant disagrees with the appeal decision of the hearing officer or if the district fails to comply with the procedures in [WAC 392-190-065](#) or [WAC 392-190-070](#), the complainant may file a complaint with the Office of the Superintendent of Public Instruction under [WAC 392-190-075](#). A complaint must be received by the Office Superintendent of Public Instruction within twenty (20) calendar days after the complainant received the hearing officer's written appeal decision.

Mediation of Complaints

- A. The district may offer mediation, at its expense, to resolve a complaint at any time during the complaint procedure. Mediation:
1. Must be voluntary;
 2. Requires the agreement of the district and the complainant;
 3. May be terminated by either party during the mediation process;
 4. Cannot be used to deny or delay a complainant's right to utilize the complaint procedure; and
 5. Be conducted by a qualified and impartial mediator, who is not an employee of the district and who has no personal or professional conflict of interest.
