WHAT IS GRADUATION ALLIANCE?

Graduation Alliance is an online high school diploma program that is part of Everett Reengagement Academy. Designed for students who are behind in credits or not currently enrolled in school, students in Graduation Alliance complete two 0.5-credit classes each month to get back on track to graduate.

Students also attend virtual and/or in-person meetups for at least 30-60 minutes per week. Students must attend at least 2 hours of meetup time per month to remain in good standing. Social meetups are run by Local Advocates and focus on social/emotional needs. These can be virtual or in-person. Study Session meetups are held virtually with the Academic Coaches.

Chromebooks and Wi-Fi hot spots are available to check out from Graduation Alliance at no cost.
