Naviance

Atomic Learning
What is Naviance?

Naviance is an online, comprehensive college and career readiness tool for students.

Naviance helps connect how students are doing academically to what they want to do after high school.

Naviance helps align students’ strengths and interests with where they want to go in the future.
Why Do We Have Naviance?

• Prior to Naviance, college and career planning used multiple online resources

• Naviance provides a more comprehensive option, “one stop shopping”

• Information and resources provided are available to all different students

• Access to Naviance online and available to grades 6-12 in addition to alumni
How Are Students Using Naviance?

• High Schools
  – *Fully Implemented*
  – *Lessons facilitated by counselors in grades 9-12*
  – *Applying to college*

• Middle Schools
  – *Planning implementation with counselors*
  – *Lesson development for grades 6-8*
  – “Field Testing” lessons in middle school classrooms
How Do Students Access Naviance?

• Students can access through district website
  – www.everettsd.org

• Click Grades & More

• Click the link for Naviance

• All students have own personal log in
What is Naviance Family Connection?

The Naviance, Family Connection home page connects you to tabs and tools that will allow you to access online resources, communicate with school counselors, and collaborate on college and career readiness activities.
Navigating Naviance Family Connection

First, you will see the main page for Family Connection where you can access tabs for courses, colleges, careers, about me and my planner.
Welcome to Family Connection!

Our school’s Family Connection site is designed to help guide you through course planning, career planning, college planning, and the application process during your middle and high school years.

In Family Connection you can:

- **Set goals**
  What do you want to do in the future? How are you going to get there? Create the perfect path to your dreams.

- **Build a resume**
  A professional looking resume can help you apply for a job or assist your teachers in writing your letters of recommendation.

- **Identify your strengths**
  Personality surveys and questionnaires will help you learn more about yourself.

- **Identify compatible careers**
  Find careers that are a great match for your strengths and personality.

- **Search for colleges**
  2 year? 4 year? Trade School? Find and learn more about schools that are the right fit for you.

- **Manage the college application process**
  Request transcripts and letters of recommendation and organize your scholarship applications.

Navigate through Naviance Family Connection
Courses

Under the **courses** tab, you can view your course records and build multi-year course plans.
Under the **colleges** tab, you will be able to manage your college research and application process.
Under the **careers** tab, you can access assessments to determine personality and interests that could be linked to potential career choices in the future.
Under the **about me** tab, you can access your goals and tasks, surveys and assessments, utilize planning tools, and personalize your account.
Under the **my planner** tab, you can create goals, to-do items and keep track of things you would like to work on.
