

EVERETT SCHOOL DISTRICT NO. 2

RESOLUTION NO. 1121

Available and Suitable Space in Contiguous School Districts

A Resolution of the Board of Directors (the "Board") of Everett School District No. 2 (the "District") declaring that a documented survey of contiguous school districts was conducted and that there are no available and suitable school plant facilities in any contiguous school districts.

WHEREAS, pursuant to WAC 392.341.080 and WAC 392.341.070, a school district applying for state funding assistance for new construction shall conduct a documented survey of available and suitable school plant facilities in contiguous school districts that are unused or underutilized, that meet the needs of the applicant school district, and that are either currently vacant or scheduled for vacation within the foreseeable future, and

WHEREAS, the Everett School District conducted a documented survey of available and suitable school plant facilities in the contiguous school districts of Marysville, Lake Stevens, Snohomish, Northshore, Edmonds, and Mukilteo, and

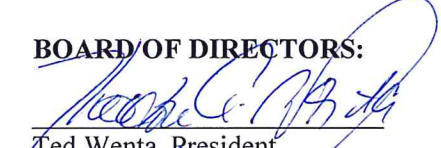

WHEREAS, responses were received from each contiguous school district stating they have no available, unused or underutilized, school plant facilities, and

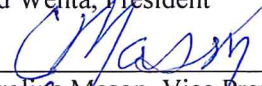

WHEREAS, based upon the responses received, it was determined that there is no available and suitable space in any contiguous school district.

NOW, THEREFORE, be it resolved that the Board of Directors of the Everett School District No. 2, certifies there is no available and suitable space available in any contiguous school district.
