EVERETT SCHOOL DISTRICT NO. 2

UNLIMITED TAX GENERAL OBLIGATION BONDS
PRINCIPAL AMOUNT OF \$149,700,000

BE IT RESOLVED, by the Board of Directors of Everett School District No. 2, Snohomish County, Washington (the "Board"), as follows:

WHEREAS, Everett School District No. 2, Snohomish County, Washington (the "District"), is a first-class school district duly organized and existing under and by virtue of the Constitution and the laws of the state of Washington (the "State") now in effect;

WHEREAS, the Board has determined that certain capital improvements to the facilities of the District are required to better serve the needs of the students of the District;

WHEREAS, in order to provide funds to plan, acquire, design, construct, equip and install such capital improvements, the Board hereby deems it necessary and advisable that the District issue and sell in one or more series its unlimited tax general obligation bonds in the principal amount of \$149,700,000 (the "Bonds") to pay the costs of the Project (as defined in Section 2 below), all pursuant to the provisions of chapters 28A.530 and 39.46 RCW;

WHEREAS, RCW 28A.530.020 requires that a special election be called for the submission of a proposition to incur such indebtedness and levy such taxes to the qualified electors within the District for their approval or rejection prior to incurring such bonded indebtedness;

WHEREAS, the District will notify the Snohomish County Auditor, as ex officio Supervisor of Elections for the District, in compliance with chapters 29A.04 and 29A.40 RCW, of its intention to hold a special election on Tuesday, April 26, 2016, to submit the proposition of the issuance of the Bonds and levy of such taxes to the qualified electors of the District for their approval or rejection;

WHEREAS, chapter 39.98 RCW was enacted for the purpose of establishing a credit enhancement program (the “Program”) for voter-approved school district general obligation bonds;

WHEREAS, RCW 39.98.040 authorizes the State Treasurer to make a determination that a school district is eligible for participation in the Program under rules adopted by the State Finance Committee; and

WHEREAS, to the extent the Program demonstrates savings to the taxpayers of the District, the District wishes to participate in the Program;

NOW, THEREFORE, IT IS HEREBY FOUND, DETERMINED AND ORDERED, as follows:

Section 1: The Board hereby determines that the best interest of the residents and students of the District requires the planning, acquisition, design, construction and installation of certain capital improvements and betterments to its facilities, together with all necessary appurtenances, fixtures and furnishings therefor, including technology improvements.

Section 2: The proposed capital improvements (the “Project”) to be paid for with the Bond proceeds are as follows:

- (a) Modernizations of North Middle School and Woodside Elementary School;
- (b) Construction of New Elementary School No. 18;
- (c) Preservation and restoration of exterior finish system at Everett High School Main Building;
- (d) Capital improvements to the heating, ventilation, and air conditioning (HVAC) systems at eight sites;
- (e) Capital improvements to the technology infrastructure and equipment, and telephone and voicemail systems;
- (f) Capital improvements to the field surface at Everett High School Lincoln Field;
- (g) Capital improvements to the roof at Gateway Middle School;
- (h) Purchasing property for future elementary school;
- (i) Purchasing and installing portable classrooms; and
- (j) ancillary costs of engineering, architectural, construction management, attorneys’ fees, costs of bond issuance, permits, accounting costs, easements and any other expenses or consultant fees incidental thereto, together with all necessary appurtenances, fixtures and furnishings thereto.

Such capital improvements and betterments described in Section 2 above, which do not include the replacement of equipment, are to be more fully described in the plans and specifications to be prepared by the District’s architects and engineers and to be filed with the District.

The District anticipates the receipt of financing assistance from the State under chapter 28A.525 RCW in the estimated amount of \$18,926,000. The proposed capital improvements to be paid for with the financing assistance are unrelated to the Project and may include, but are not limited to, additional work on projects proposed to be paid for with Bond proceeds, modernizing and equipping the District’s existing educational and administrative support facilities, constructing and equipping new District educational and administrative support facilities, purchasing property for future schools or other District facilities, technology improvements, and other capital improvements deemed necessary and desirable by the Board, all in order of priority and in the amount as determined necessary and desirable by the Board.

Section 3: If, in the opinion of the Board, the needs of the District change in a manner that results in a circumstance wherein any portion of the above-referenced capital improvements is not required or in the best interests of the District, the Board retains the right not to acquire, construct and install such capital improvements and to reallocate the money originally contemplated therefor to other capital improvements to the District's facilities deemed more necessary by the Board, or to deposit such money into the District's Debt Service Fund to make debt service payments on the Bonds outstanding or to call and redeem a portion of the Bonds prior to maturity; provided, any change in use of Bond proceeds shall be in the form and manner required by law.

Section 4: The total estimated cost of the capital improvements program adopted by the Board is hereby declared to be approximately \$168,626,000 of which shall be paid, if authorized and empowered by the three-fifths (3/5) majority approving vote of the qualified electors of the District, by the issuance and sale of the Bonds.

Section 5: In the event the District has other legally available money or there are Bond proceeds (or interest earnings thereon) remaining after the capital improvements set forth in Section 2 above have been completed or duly provided for, the Board retains the right to make additional capital improvements to the facilities of the District as are deemed necessary and desirable by the Board, or to deposit such money into the District's Debt Service Fund to make debt service payments on the Bonds outstanding or to call and redeem a portion of the Bonds prior to maturity.

Section 6: In the event the Bond proceeds are insufficient to make all of the capital improvements set forth in Section 2 above, the District shall use the available money to pay the cost of such improvements set forth in Section 2 above deemed most necessary and to be in the best interest of the District by the Board.

Section 7: The Bonds, if approved, shall be sold and issued in such amounts and at such time or times as deemed necessary and advisable by the Board all as permitted by law. The Bonds shall bear interest at such rate or rates not to exceed the maximum provided by law at the time they are sold. The Bonds shall mature in such amounts and at such time or times within a maximum term of 20 years from their date of issue but may mature at an earlier date or dates, as authorized by the Board and provided by law. The Bonds shall be unlimited tax general obligations of the District; and, unless paid from other sources, both principal thereof and interest thereon shall be payable out of annual property tax levies to be made upon all taxable property within the District without limitation as to rate or amount. The designation of the Bonds may be changed to reflect the actual date of issuance. The exact date, form, terms and maturities of the Bonds shall be hereafter fixed by resolution of the Board.

Section 8: A special election is hereby requested to be called, conducted and held within the District on Tuesday, April 26, 2016, for the purpose of submitting to the qualified electors of the District, for their approval or rejection, the District's proposal to make the capital improvements specified in Section 2 above; to incur indebtedness; to issue the Bonds to finance such capital improvements; and to levy taxes in excess of the regular property tax levies to pay the principal of and interest on the Bonds.

Section 9: The Snohomish County Auditor is hereby authorized and directed to call and conduct the Tuesday, April 26, 2016.

Section 10: Pursuant to RCW 29A.36.071, as amended, the Snohomish County Prosecuting Attorney is requested to prepare the concise description of the proposition for the ballot title substantially in the following form:
