guide self-lead learning

lifelong learning

Atomic Learning

What's in it for YOU?

Atomic Learning helps you learn to use and integrate technology with confidence.

Build Understanding

Put Concepts into Practice

Reflect & Apply

A District-wide Solution

PD and Curriculum Directors
Access to job-embedded staff development resources.

Instructional Technology
Adaptable projects for subject, grade-level or state standard to extend the impact of tech integration.

Educators
Empowers educators with tech integration tools and training to ensure student success.

Special Education
Just-in-time answers to questions about the assistive technology tools and devices students are using.

School Leaders
On-demand training ensures that teachers use the technology the district has already invested in.

Students & Families
Available 24/7, students can use technology to complete assignments in and out of the classroom, and use mobile devices.
