Date	Employee Group	Carrier	Notes/Summary
3/23	EEA	GHC	<ul style="list-style-type: none"> Positive feedback of comprehensive coverage, easy paperwork and seamless communication between providers with multiple and significant use of benefits
3/23	EEA	UHC	<ul style="list-style-type: none"> Hidden costs on Lab and X-Ray Denial of nose x-ray because UHC stated not necessary due to nothing could be done to treat Prescription- Dr. prescribed medication, arrived at pharmacy to pick up, UHC denied, contacted Dr. to send in new prescription and ask to push UHC to honor prescription. Two week later received approval. Wrong information provided by UHC Reps <ul style="list-style-type: none"> Chiropractic office calls to verify coverage for x-rays. Told 100%, After x-ray, UHC refuses to pay. Employee spends 30 minutes on hold while listen to "random solicitations for random services. (i.e. dining.com, vacation, etc.) Representative couldn't provide information on coverage and could track questions. Rep offered to call doctor's office and never did. Employee paid for x-ray Copay- if you have secondary co-insurance and their co-pay is higher UHC charges higher co-pay Not all things count toward deductible Co-pays don't count toward deductible
3/24	EEA	UHC	<ul style="list-style-type: none"> Do not cover 3-D mammogram imagining. Asked question of UHC and told "it is not scientifically proven to be any better than the imaging they have now, or ultrasound imaging." Prompted if asked if called back for a problem, would it be covered? Response- No same reason.
3/24	EEA	UHC	<ul style="list-style-type: none"> No UHC doctors currently accepting new adult ADD patients Follow up email 10 minutes later that found some on UHC site; previously was using recommended list from former doctor
3/25	EEA	UHC	<ul style="list-style-type: none"> Denial echocardiogram and stress test due to miscommunication between Everett Clinic and UHC. Member had to pay cots and appeal. Won the appeal. No previous experience having to pay bill due to misunderstanding between insurance and doctors Prescriptions- Hx of ongoing medication being switched from brand to generic despite generic having more severe side effects. Two months ago switched to generic and resulted in medical issue
3/25	EEA	UHC	<ul style="list-style-type: none"> Tx Denial- Hx of 30 years of illness that an approved treatment is Botox. Covered by multiple previous carriers; denied by UHC. Current appeal in process
3/25	EEA	Vision	<ul style="list-style-type: none"> Difficult to find forms for reimbursement and lack of response
3/25	EEA	UHC	<ul style="list-style-type: none"> Poor customer service Lack of service providers who accept UHC due to delays in payment and/or lower payment rates. Some providers state they take limited UHC patients but not accepting new patients Prescriptions require additional steps to be approved
3/25	EEA	UHC	<ul style="list-style-type: none"> Denial of full coverage for counseling Provider reports UHC bill her in unequal increments

Date	Employee Group	Carrier	Notes/Summary
