

Welcome to Savvas EasyBridge Plus!

Everett Public Schools uses a variety of Savvas Products for different content areas. In order for teachers and students to be automatically added and updated nightly and for students to access a wide variety of Savvas products through one point of access, teachers and students use a URL address that is unique to our district.

Log in for both staff and students is the same user name and password used to log onto a district computer.

*Specialists, administrators and other staff who do not have assigned classes in eSchool– you need to request access by emailing LMSStaff@everettsd.org.

Q: How to get to the log in page for both students and teachers?

A: Different routes to same place

1. In Internet Explorer – the shortcut to Savvas has been updated to link to [Savvas \(Pearson\)](#)
2. In Chrome select Bookmarks>Managed Bookmarks>Savvas (Pearson)
3. From [District Student Tools](#) Page or from your school's Student Tools page, click on **Clever** then click on Savvas EasyBridge icon.
4. From [District Student Tools](#) Page or from your school's Student Tools page, click on **Savvas EasyBridge** icon. It is a portal to Savvas Realize platform and products.

**Q: How do I set up my classes to start each semester?**

A: At the beginning of each semester you will Assign Product

1. Log in to Savvas EasyBridge- [Savvas \(Pearson\)](#)
2. Navigate to a class
3. Select Assign Product
4. Find the right product on Savvas Product list
5. Check all boxes that apply to the course and scroll to bottom – make certain to hit SAVE
6. Navigate to Realize platform through link on right of screen.

Expanded Directions

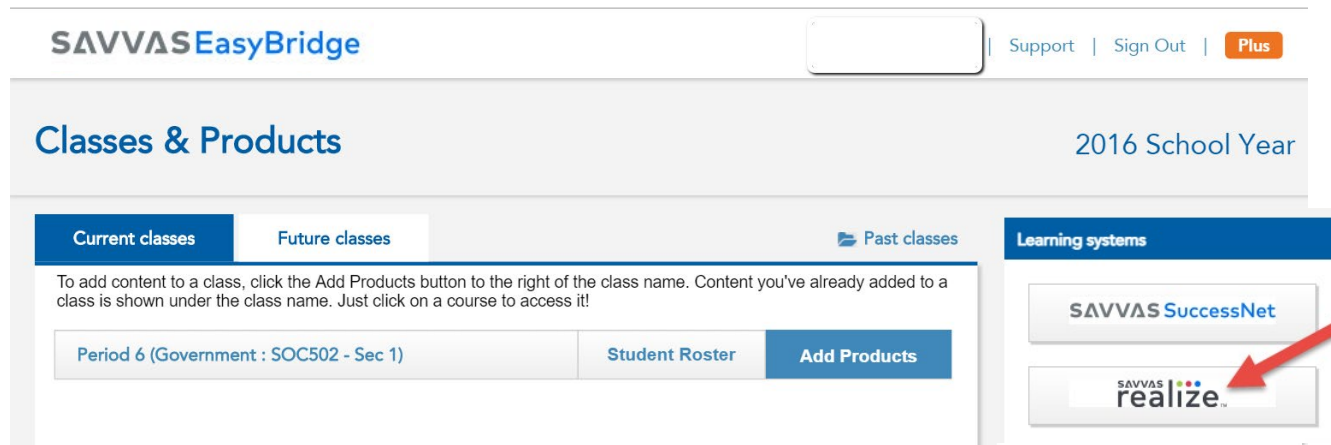

EasyBridge Plus Login - Currently Everett uses Savvas EasyBridge Plus in elementary, middle and high schools.

- 6-12 Savvas Realize History and Spanish

Link here to Everett Public Schools Savvas access point - [Savvas](#)

- Working on teacher, lab or classroom computers – (any district computer that is not a Chromebook) - will automatically log you into Savvas
 - Just click the link – and you are logged in
 - Students and teachers are automatically signed in to Savvas – no password required
- Chromebooks or personal devices – students or teachers will need to still log in through [Savvas](#)
 - User name and password are the same as your network log in (the way you log into computer)

If you have classes in eSchool – once you log in, you will see Classes & Products. A list of classes you are teaching should appear.

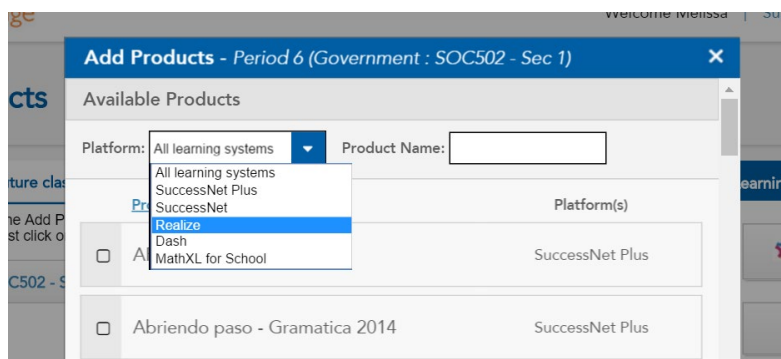

For each semester you will need to Add Products. **Look to the far right – select + Add Products**

Add Products

(Once you add products this will change to Manage Products)

You will see a list of all products associated with Everett Public Schools. Select Realize from the Learning Systems list to narrow your selections.

Select your product and SAVE
