Financials

Darla reviewed the highlights of the November 2015, December 2015, January 2016 and February 2016 financials with the group.

Fiduciary Liability Insurance Renewal

Darla provided a summary of the Fiduciary Liability Insurance renewal premiums from 2005 to 2016. She noted the April renewal rate has remained the same for the past four years and CHUBB continues to provide the same coverage. Melanie asked if CHUBB requests information about usage. Darla said they do and she provides the requested information to them each year. A motion was made by Adam Goldstein and seconded by Jeff Moore to accept the Fiduciary Liability Insurance renewal at the current rate.

HIPAA Privacy Policy

Melanie shared that the HIPAA Privacy Policy has been reviewed and revisions proposed. This proposed policy will replace the current HIPAA Privacy Policy dated January 1, 2012 and the Reportable Breach Notification Policy HIPAA HITECH Rules and Washington State Law. Melanie said her colleague Howard Bye-Torre worked on revisions to the document in compliance with the law. Molly said she reviewed the proposed revisions prior to today's meeting and worked with Howard on a few small edits such as addresses. She said that the Trust relies on Melanie and Howard's expertise in this area and the Trustees agreed. A motion was made by Jeff Moore and seconded by Susan Lindsey to accept the revised HIPAA Privacy Policy and to delete the Reportable Breach Notification Policy HIPAA HITECH Rules and Washington State Law. The motion passed unanimously.

Rickie Lee shared the monthly Wellness Program report.
