

Multiplying by

10

Ten is wonderful! All to do is add a zero at the end of the number to make it ten times more and it never fails!

What is 10×7 ?

Ten seven times

What is 10×4 ?

$$10 + 10 + 10 + 10 =$$

40

Challenge:

What is 10×32 ?

10×87 ?
