*Project Citizen is an interdisciplinary curricular program for 5th thru 12th grade students, youth organizations, and adult groups that promotes competent and responsible participation in local and state government. The program helps participants learn how to monitor and influence public policy. In the process, they develop support for democratic values and principles, tolerance, and feelings of political efficacy.

We the People: Project Citizen is more than just a textbook; it's an entire program with a process that gets people involved in learning about and fighting to change public policy.

We need to know your commitment for this professional development program ASAP, so we can attain books for you. If you would like be one of the selected to attend this FREE PROJECT CITIZEN Training program and receive FREE CLOCK HOURS please complete and send the attached **REGISTRATION FORM to: kathyhand@comcast.net**
