### **Policy Review**

Proposed revisions to Trust Policy 220, Investment Guidelines, were presented to the Trustees for first reading. Revisions reflect changes discussed at the last meeting regarding moving from three months to two months of reserve. Proposed revisions will be provided for second reading and adoption at the November 16, 2016 meeting.

### **Open Enrollment Update**

Randi reported open enrollment has begun and the benefits team has received a lot of phone calls and are putting together information sessions for staff. Information regarding dual coverage went out to affected employees. Each Wednesday staff will receive a reminder email with information and answers to frequently asked questions. All employees need to register for one of the new plans through Employee Online. Randi said staff are meeting with Aetna representatives every Monday to go through detailed information. Aanya has been assisting in this area. So far Aetna has provided good customer service and very thorough implementation.

A communication will be sent to schools for principals to use in their staff newsletters. A communication will also be provided to union leaders for use in their member newsletters. Additional information will be sent to office managers to share with staff regarding the information sessions. Having the plan providers attend these sessions is a great opportunity for staff to get their questions answered.

### **Adjournment**

The meeting was adjourned by Gregg Elder at 4:50 p.m.

Sincerely,

Molly Ringo  
Trust Member (in the absence of Jeff Moore, Secretary)
