

Cell phones, iPods® and all other communications devices must be turned off and kept out-of-view and out-of-reach during testing sessions.

Testing— Do NOT Disturb!

Enter quietly

No media may be given access to test content (test booklets, accommodated forms, etc.) or testing locations.

Post this notice on all testing locations.
DO NOT block any security windows that permit monitoring of testing environment by school administration.

Report all breaches to test security and irregularities in testing to your School/Site Assessment Coordinator
