

Student log in to Canvas

Log in using URL: <https://everetsd.instructure.com> or select Canvas from Student Tools.

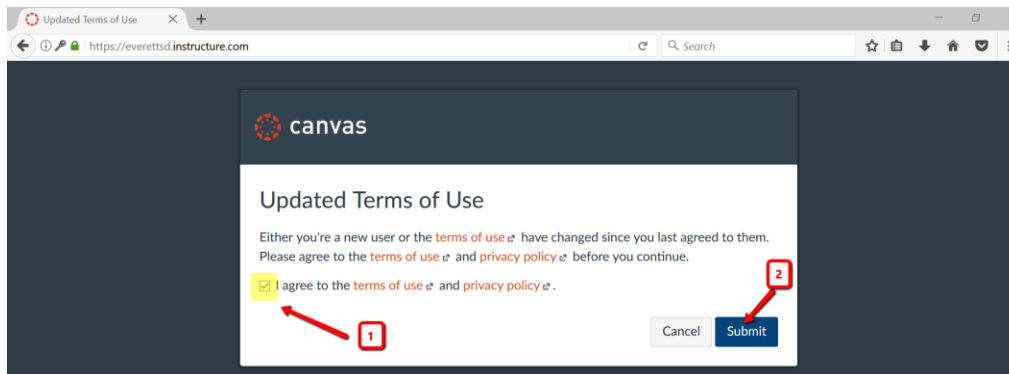

Logging in:

- On a Windows device within the district, staff and students are automatically logged in.
- From a Chromebook or outside district, use ID# and standard password will be required.

First time only

- When logging into Canvas Instructure for the first time you will need to accept terms of use. This has already been reviewed and approved by the district.

Student dashboard in Canvas will have their class listed once teacher publishes course.

Select course title and students will be in the class. .
