

21st CENTURY SKILLS

Critical thinking

Critical thinking is generating questions, evaluating information and arguments, making connections, identifying patterns, reasoning, constructing knowledge and applying it to solve problems in the real world.

Communication

Communication is appropriately interacting with others to convey meaning and gain understanding for multiple purposes, settings, and audiences including the digital environment.

Citizenship

Citizenship is respectfully and positively impacting others and being actively involved in addressing community, national and/or global issues.

Creativity

Creativity is generating ideas and approaches to design innovations, construct solutions, build understanding, and express perspectives.

Growth mindset

Growth mindset is working through challenges showing tenacity, perseverance, resilience, self-regulation and self-advocacy.

Collaboration

Collaboration is working interdependently, learning from and contributing to the learning of others for a shared purpose in a wide range of environments.

Everett Public Schools graduates are college, career, and life ready:

They have the academic knowledge, attitudes, and skills to successfully transition to college level coursework, workforce training, and/or employment so they can adapt to the ever-changing world in pursuit of their goals.
