- Book – *Special Delivery* by Geneva Martinez
- Clever

Body (Reasons)

- Favorite - daisies to Daisy
- Nervous - forgot to say, “special delivery”

Conclusion (Opinion)

- Flower names

The Writing:

I think the story “Special Delivery” by Geneva Martinez is so clever!

My favorite part was when Charlie delivered daisies to a lady named Daisy.

It was so funny how he got nervous and forgot to say, “special delivery”.

Who knew how many flowers could also be names?
