#### **Four things to bring with you** when you register at your school, starting **March 5, 2018:**

1. Registration forms (which will be available for download on **Feb. 26, 2018**.  
(You may pick up paper forms at your school starting on Wednesday, Feb. 28. If you have the forms all filled out before registration day, the process will go more quickly that day during registration.)
2. Your child's birth certificate or passport documentation.  
(The [Snohomish Health District](#) Vital Statistics Office (425-339-5220) can help you with Washington state birth certificates. You can order out-of-state birth certificates from [VitalChek](#).)
3. Proof you live in the district.  
(That could be a utility bill or rental agreement mailed to you at an address inside the district boundaries.)
4. Certificate of Immunization and your child's health history.  
(Contact your child's physician or the Snohomish Health District at 425-339-5220 for information about vaccinations and updates. A [Parent's Guide to Immunizations](#) is also available on the Snohomish Health District's website.)
