

## SECOND GRADE

DAY 1	DAY 2	DAY 3	DAY 4	DAY 5
Today's Number	Today's Number	Today's Number	Today's Number	Today's Number
				How Many Pockets? (every 10 days approx.)
Time & Time Again	Time & Time Again	Time & Time Again	Time & Time Again	Time & Time Again
Measurement	Quick Images	Measurement	Quick Images	

### SECOND GRADE CALENDAR – DAILY ROUTINES

**Set-up:** Calendar area includes;

* Calendar	* Date Code & Tallies
* 100 Chart	* Straw Box
* Blank 200 Chart	* Weather Graph
* Pocket Chart	* Thermometer
* Daily Schedule	* Magnetic Tiles (optional)
* Judy Clock	* Today's # rule strips

**Time:** Each day, the daily routines take between 10 and 20 minutes.

**Notes for Planning:** Every day, calendar time includes an activity from Today's Number and Time & Time Again. Geometry and measurement activities are included twice a week. Quick images begin in October and are included twice a week. Pocket day happens every tenth day (see teacher guide for pocket day extensions).
