### **North Middle School celebrates an *Evening of the Arts***

**Music and drama and art, oh my!**

Scholastic Arts Contest Silver Key winning digital art by Angela Braun, Grade 8

On Tuesday, March 4 from 6 to 8 p.m., [North Middle School](#) will host their first annual *Evening of the Arts*, an event featuring the literary, fine and performing arts programs at the school. This free community event will include live musical and dramatic performances, a gallery display of traditional and technology inspired visual arts, roving poets, and community resource tables.

Community members, families, students, teachers and special guests begin by viewing the student-created artwork on display throughout the cafeteria. The art

show will feature school winners from the [National Scholastic Arts and Writing Awards](#) and the [PTA Reflections Contest](#) as well as new entries highlighting digital and traditional art forms. Guests may also enjoy refreshments served by students and vote for their favorite artwork.

At 6:30 p.m. guests will be invited to be seated for formal performances by the North Middle School jazz band and jazz choir. These before-school clubs are made up of dedicated musicians and singers that have a passion for jazz. Next, the program will include a performance of *Robin Hood* by the after-school drama club.

Following these performances, North Middle School alumni jazz group members will be entertaining the crowd while people continue to look at the art, vote for the *People's Choice* award, catch a roving poet and find out what arts opportunities are available in our community.
